Ging Earth Moving

CAPABILITY STATEMENT

Company Overview

Ging Earthmoving Pty Ltd is an Indigenous owned company based in Perth and delivering services around the Pilbara, Goldfields, and Southwest.

Operating since 2021, Ging Earthmoving has over 20 years of combined industry experience, we started with providing Fleet / Plant Hire and then expanding out into mining services providing earthworks, haulage, construction, and support services.

We pride ourselves on our commitment and dedication to working with our clients to deliver projects to a high standard on time and on budget.

We perform all mining and civil contracting services with consideration to the land and to the communities we operate within.

Ging Earthmoving provide a safe and beneficial working environment for all our employees, creating and sustaining employment opportunities.
